

## About ConnexALL®

ConnexALL® breaks the barriers of proprietary interfaces, it provides a single point of management for ALL business systems which need to communicate events and status to many different devices.

ConnexALL® seamlessly integrates proprietary event-based business systems to an ever-expanding list of third-party notification technologies.

If "something happens" and "someone needs to know about it" ConnexALL® is the communications bridge that can intelligently bring the two together.

ConnexALL® is a standards-driven, modular based software engine. It integrates a wide range of communication resources to any business systems. The ability to receive real-time notifications and text messages anywhere in the world gives organizations the competitive edge in decision-making process.

## Student Time and Attendance Solution

### TAKE ATTENDANCE

- Teachers take attendance by simply clicking on student's icon on the classroom seating chart
- Enable teachers to add additional attendance information (ie/ saw in cafeteria)
- Clicking on student icon sends attendance information directly to office
- Follow student timetables daily or period-by-period in real-time
- Mark staff attendance and automatically notify back-up supervision if a staff member is late or absent

### REPORTING

- Quickly view attendance of staff and students
- Locate staff and students during emergencies
- Map school usage trends daily or by period
- Build a yearly absence profile by student, class, group or absence occurrence.
- Produce an attendance register meeting legal requirements
- Produce the daily attendance bulletin and mail it to staff

### TRACK AND UPDATE

- The exact attendance data you need is always at your fingertips
- Batch enter attendance codes (ie/ field trip) for all students or for a specific group
- Send notification to parents when student is absent and request acknowledgement
- Mark student absent for any time period(s) if proper notice received (ie/ parent called them in sick) and update teacher terminals

### MORE FEATURES

- Automatically notifies via any communication device the parents of absent student
- Allow secure access to attendance online or via PDAs for parents and staff
- Use swipe cards at entrances to mark students as late rather than absent
- Use biometrics to mark student attendance in lecture hall or assemblies

ConnexALL® is a highly flexible and scalable integration system, easy to configure, provides an intuitive user interface and includes extensive management reporting.
